Dear Parents, Carers and Children

I am in London at the moment undertaking a *recce* for the Rinsey Class (Year 5 & 6) trip in June so therefore will be very brief.

The main thing I wish to say is a huge congratulations to the Year 6s who worked with perseverance and determination to do the best they could in the ordeal that is SATs. Other year groups will have their own assessments to sit in the coming weeks but in a far less formal context.

However, the end of SATs always marks the start of the really fun part of the year. To-day Rinsey are being rewarded for their hard work with a day in the sea with Mr Eyriery and Mrs Haddy, although I imagine Mrs Haddy's support will be firmly rooted on the sand watching over events. Not to be left out, Godrevy are also heading for the surf next week, hopefully they will have some energy left after sports day on Thursday.

With regards to sports day, everybody is welcome to come and watch, the event will start at 12.45pm, however please do not arrive any earlier than 12.30pm.

In the coming weeks, we will be informing you about dates for other community events such as the school production and I know that the PTFA are already planning a return to normal with the possibility of a school fayre and after school community market.

Of course, the highlights on the horizon for most children will be the residentials planned for all year groups and after spending half a day in the city I am reminded of the delightful contrast that awaits the Year 5 and 6s that are used to peaceful Cornwall. I am now off to the British Museum which is a new addition to the itinerary as we were not able to book the Imperial War Museum but I am sure with the vast array of historical artefacts it will substitute nicely.

Have a great weekend whatever you are doing.

Mr Gardiner

NUT-FREE SCHOOL

Please be aware that due to several children and a member of staff having severe allergies to nuts the school has a policy whereby no products **(including Nutella)** containing nuts should be brought into school including in personal lunch boxes. With some products, i.e. chocolate bars, it is not always obvious that nuts form part of the ingredients so please check labels carefully.

Thank you.
