10<sup>th</sup> January 2019

Dear Parents/Carers

**Re: Easter 2019 Year 4 and 5 STEM Easter Camp**

Following the huge success of last year's Year 5 STEM Camp, we will be again running a Year 4 and 5 STEM Easter camp for the 2018/2019 academic year.

The camp will run at our Nexus Campus over the Easter Holidays from Monday 8<sup>th</sup> April – Wednesday 10<sup>th</sup> April 2019 inclusive and will be open to both boys and girls currently in Year 4 or 5. The camp will start at 9.30am daily and finish at 3.30pm. On the final day of the camp parents will be able to join us for a presentation at 2.15pm.

We are planning a really exciting programme of experiments and experiences for the children who attend this camp. From 3D printing, Coding Challenges and Escape Rooms, we've got everything here to keep your science-mad child entertained!

The cost of the camp will be £70 for the full three days. Unfortunately we are unable to accept bookings for individual days. Refunds will only be given in exceptional circumstances and only upon receipt of documentary evidence in support.

Places on this camp are limited and we again expect a strong demand. Bookings therefore will not be confirmed until such time as we have received a completed and signed booking/consent form and full payment. All places thereafter will be allocated on a first come first serve basis.

In order to request a booking/consent form please contact our reception on [reception@nexuscsia.co.uk](mailto:reception@nexuscsia.co.uk).

We look forward to hearing from you.

Yours sincerely

**Dr. Jo Foster**  
**Director of CSMS & Nexus**
