Dear Parents, Carers and Children,

I will be extremely brief this week as we are in to the last two days of mutual celebration with shirts to sign, goodbyes to be shared and end of term rewards to be given. As it is only two days since my last letter there is also not a great deal to report on but one major event could not be overlooked. The Year 6 Leaver's assembly was a real tearjerker this year and as I said last week they will be greatly missed by us all; they have grown to embody everything that we are proud of at Gwinear. The slideshow that completed the assembly was amazing and a special thanks goes to Cathy Woolcock, our chair of governors, who helped Mrs Haddy compile it. Unfortunately, it is too large to share on the website, although year 6 parents are being given an individual copy to keep as a memoir. However, we have uploaded a little video that they shot for a bit of fun on the penultimate day so that you can all have one last giggle with them. We wish them all the very best of success in their futures and we hope you all have a wonderful break. Next year we have some really exciting developments planned for the outdoor area and class teams have already begun to plan for Autumn topics and theme their rooms. Let's make it another year to remember!

Mr Gardiner

Good luck Year 6 – we will miss you!
