Aiming for the  
**Stars**

Dear Parents, Carers and Children

Showing a prospective parent around today I had to explain that classes aren't always in such disarray and that there isn't usually as much alcohol and chocolates in the staff room, thank you to all of you. We have finished a challenging year with great fun in the classrooms and a very wet lunchtime. The heat looks like continuing for at least a couple of days so I am sure you will all be in the water enjoying the start of the summer holidays as will staff who are in need of a well earned rest. Myself and Mrs Haddy together with Mr Buckley and Mr Eyrie are beginning ours with some of the school children at Godrevy.

It is not usually a teacher's first course of action upon breaking up but I can honestly say that when it comes to this year group you can't get too much of a good thing. They are the first year group to reach Year 6 that I have known since EYFS and they made me feel welcome from the very first day, nervously stood in front of the school in my first role as a headteacher. We have had a incredible journey together and we have seen them develop into an incredibly able and multi talented group of children who epitomise the qualities that we value and try to nurture. They are moving on in several different directions and will probably end up in completely different roles than we imagine. However, one thing is for certain; they will take a great deal of positivity and goodness into the world and I wouldn't be surprised to see anyone of them doing something special to change it for the better. If they do so we will have fulfilled our aim of "inspiring our future" and they have certainly inspired all of us. Thank you to the Class of 2021 you are all stars and we will miss you.

For the rest of you there is no need for goodbyes apart from one or two who are sadly leaving us—Good luck Lanza, Isaac and Amelie. We look forward to seeing you all well rested and tanned (keep applying that sun cream) and teachers have already got trips and fun activities to kick start your year. When we return uniform will continue as it is at the moment (further guidance to come out) and the start time will be back to 8.40am for all with the register closing at 9am. I look forward to seeing you all on the gate then and I hope you have a wonderful summer.

Mr L Gardiner
